RE:

SHAW LEADS II

Today I interviewed AL CAMPBELL who told me that he worked for BANNISTER around 1958 and 1959, and again around 1962 and 1967. He said he did everything for BANNISTER which ranged from investigator to undercover work trying to get information on Communist groups in the City. He said that BANNISTER liked him and gave him the keys to his files, however, he said there

were some files that only BANNISTER had access to. He said that CELIA PIZZO knew BANNISTER very well and may be able to give us

some information.

He said that he never saw SHAW with OSWALD or FERRIE or BANNISTER. He said that JOANNE BURTON was a secretary for BANNISTER in 1962 and may be able to give us some information about the files.

He says that he remembers TIGER JIM IVEY (whose name came up in connection with the Friends of Democratic Cuba) and ROB GRANT as two people who were working undercover with BANNISTER He says that he remembers these two individuals because they were bad actors and were capable of doing anything. He said that both have New Orleans police records and both are ex-Marines.

CAMPBELL said that BANNISTER worked closely with RAY
HUFF and the C.I.A. and had a lot to do with the overthrow of
President Arbenaz of Guatemala. CAMPBELL said that BANNISTER
worked closely with both the C.I.A. and the F.B.I. CAMPBELL said
that in September of 1959, he helped train the Guatemalan Airborne
for President Fuentis in Guatemala.

CAMPBELL said that TIGER JIM IVEY was an ex-boxer who worked as a barker at the El Morrocco Bar on Bourbon Street.

THORNULY:

CAMPBELL said that he was with THORNLEY and CARL BOCH in the Bourbon House on the night of the assassination. He said that THORNLEY told him in the presence of BOCH that he (THORNLEY) know OSWALD in New Orleans. THORNLEY said that he disagreed with the newspaper reports about OSWALD in New Orleans and said that OSWALD was in New Orleans more times than the paper stated. THORNLEY said that he wrote a book about OSWALD and OSWALD either saw him or stayed with him while he was in New Orleans. THORNLEY also told CAMPBELL and BOCH while looking at television reports on the assassination, that "It could not have happened to a nicer guy." (referring to Kennedy) BOCH than got angry at THORNLEY and told aim to shut up.

1200

CAMPBELL also said that he knew FERRIE from the Lokefront Airport. He said that he has never seen FERRIE with SHAW. He said that when FERRIE's picture appeared in the paper in regard to our investigation, FERRIE told him, "I'm a dead man.

CAMPBELL said that he and his brother, DAN, were in the Bethlehes Orphans Home and were there around the same time that OSWALD was there (around 1946).

CAMPBELL says that he remembers seeing JOHN MEADOWS somewhere around the Quarter, possibly with THORNLEY. He also said that there was a C.I.A. man who worked closely with BANNISTER by the name of JIM. This person also worked as an announcer for WNOE.

CAMPBELL said that he also knows GORDON NOVEL and introduced MOVEL to MARLENE MANCUSO.

CAMPBELL also kept asking if we ever talked with BEAUBOUEF. He seems to believe that BEAUBOUEF can help us. He also asked if there is a possibility that we may have SHAW and BANNISTER mixed up.

I told him that we would check out some of the information he gave us and contact him again, and he said he would be glad to help.

CAMPBELL admitted that he seemed to have come in contact with many of the people whose names have come up in our investigation. He said that he would try to think of anything that would be of some benefit to us. He can be reached at Flight, Incorporat at the Lakefront Airport.

The New Shaw Lead File

41) EDDIE PORTER LEAD (See Sciambra memo 12/19/68)

PORTER met OSWALD in the summer of 1963 in the Penny Arcade located in the 100 block of Royal Street. OSWALD was with a male prostitute by the name of JOHN who, according to PORTER, spent most of his time "hustling the queens" around the Arcade. OSWALD told CAPT. MARTELLO that JOHN was a member of the Fair Play for Cuba Committee. PORTER currently lives in California but has relatives in the city. Efforts should be made to get his California address so that we may further

communicate with him.

68.

"PATSY", a colored female impersonator, said that he has entertained at some of the parties given by CLAY SHAW. He said that he quit working for SHAW because he didn't like his attitude. (REID can contact).

43) BILL GAUDET LEAD (See FOWLER memo of 4/15/69)

67.

GAUDET is editor and publisher of the Latin American Reports. He had offices in the old International Trade Mart, and is now located in the new Iternational Trade Mart. According to WEISBERG, GAUDET is C.I.A.

SHAW IN ST. FRANCISVILLE, LOUISIANA (See Sciambra memo of 4/3/69) 66

Leads pertaining to SHAW's activities in St. Prancisville have come in. I suggest that ALFORD who has made a contact in St. Francisville handle this lead in conjunction with me.

45) FRIENDS OF DEMOCRATIC CUBA (See Special File)

65.

X According to numerous reports, the Friends of Democratic Cube was created and sponsored by the C.I.A. It was organized around 1960 by BILL DAMZELL and SERGIO ARCACHA SMITH. (BANNISTER was its Director). Supposedly, its F.B.I. contact was REGIS KENNEDY and its C.I.A. contact was a man named LOGAN. It moved from the Baltar Building to the International Trade Mart a few months after its conception. On January 20, 1961, JOSEPH MOORE along with a person named OSWALD attempted to buy some trucks from Bolton Ford for the

Invasion. Although this may not be a matter of priority, because of the people involved in the organization, I think we should keep an open mind in this area.

Because of the importance of GUY BANNISTER and the 544 Camp Street location I suggest we assign one man to look thoroughly into GUY BANNISTER and related activities around 544 Camp Street.

On p. 26 of the rooming house's cash book, there appears, "6/28/59, LEE HARVEY OSWALD, El Paso, Texas, Room D". KERRY THORNLEY'S Grand Jury testimony reveals that at one time he, too, lived at the same McBath Rooming House.

### SUMMARY:

the second offender class, arriving at this institution with a nine year sentence on four counts of Simple Burglary. In addition to this, subject has a detainer on him from the U. S. Marshall in New Orleans. He was sentenced to three years on a Sale of Mercotics charge by the U. S. District Court while in jail in New Orleans 1959 with a ten year sentence for Attempted Armad Robbery from New Orland. The Sentence was commuted to time served by Governor Davis in May, 1961 and subject discharged. The records indicate that subject's only arrests have been in connection with his confinements.

Subject was born in Gienfurgos, Cube and reared by natural parents in the rural grees of Cuba and in New Orleans, Equisions. Apparently his early assistant was good, the family income was marginal in Cuba and adequate in the United States.
Subject states that he is not a citizen of this country. Subject initiated one
legal marriage and regards this as stable. He indicates a twelfth grade attainment
in school. The institutional tests place him at a tenth grade level. Indications
are that he received a high school diploma while here during this last considerat.
Subject claims a long history of employment by his mother in the kitchen of her restaurant in New Orleans. He also spates that he is a barber.

Evidentally the subject is mentally competent. His appearance is neat and his manners good. During the last commitment have subject worked at the Sugar Mill and at the Education Department as a Spanish instructor. His conduct report was good with only two write-ups for minor infractions. During the interview subject asked that he be placed in Cak dormitory if possible and assigned to the Education Department. Recommend Medium Custody because of the detainer and work assignment as needed.
